Q: How do we ignite

Inspiration

and reclaim

Leadership?

**How can we take part in
the inspiration
movement?**

“Rely on your own strength of body and soul. Take for your star self-reliance, faith, honesty and industry. Don't take too much advice — keep at the helm and steer your own ship, and remember that the great art of commanding is to take a fair share of the work. Fire above the mark you intend to hit. Energy, invincible determination with the right motive, are the levers that move the world.”

Noah Porter
